God Rest Ye Merry Hogswatch Men

Om rest ye merry, Hogswatch Men
Let nothing you dismay
Remember, that the Hogfather
Will come on Hogswatch Day
To welcome back returning sun
And push the dark way.

O tidings of pigginess and booze
Piggies and Booze
O tidings of pigginess and Booze

In Ankh-Morpork and other parts
The Hogfather will bring
Some Gifts to all Omfearing folks
And other living things
His pig pulled sleigh and jolly suit
The brass bell that he rings

O tidings of pigginess and booze
Piggies and Booze
O tidings of pigginess and Booze

So say your prayers to deities
Of countries far and wide
And do your best to represent
The goodness we aspire
Now drink your mead and chuck your
Empty glass into the fire

O tidings of pigginess and booze
Piggies and Booze
O tidings of pigginess and Booze

Hogswatch Night

(To the tune of Jingle Bells)

Dashing though the snow
On a long, cold Lancre night
Through the fields he goes
Giving all a fright
Tusker pull his sleigh
With presents up to here
Will you get some coal tonight?
Have you been good this year?

Oh
Hogswatch night, Hogswatch night
Spring is on its way
Only half a year
Until it is Midsummers Day
Oh
Hogswatch night, Hogswatch night
Wintersmith might reign,
But winter nights are turning
It will soon be Spring again.

Sitting by the fire
With a blanket on my lap
Waiting for the sound
Of piggy hooves to tap
On the slated roof
To give us all delight
Listening for the Hogfather
On this long, cold Hogswatch night.

Silent Night

Silent Night, Silent Street.
All is calm
On Carrot's beat.
None were murdered this night in The Shades.
No one mugged as the winter sun fades.
Peace has come to Ankh-Morpork
Peace has come to Ankh-Morpork.

Silent Night, Silent Square
No one fights
No one's there!
Tucked up tight on this cold Hogswatch Eve
Even Crims need an annual reprieve.
Peace has come to Ankh-Morpork
Peace has come to Ankh-Morpork.

Silent Night, Silent bed
Little Sam
Rests his head.
Over him stand his parents, so proud
Hogswatch Eve is when pride is allowed.
Peace has come to Ankh-Morpork
Peace has come to Ankh-Morpork.

Joy to the Disc

Joy to the Disc
It's Hogswatch Eve
The night when all believe
The parties getting louder
The kitchen's getting crowder
And you are getting drunk
And you are getting drunk
And I am, and I am getting
Drunk, drunk, drunk.

Joy to the Disc
The Hog Man aye!
Is coming here today
It really is unnerving
To get what you're deserving.
But you are getting drunk
And you are getting drunk
And I am, and I am getting
Drunk, drunk, drunk.

Joy to the Disc
It's Hogswatch day
Oh headache go away!
Why did I drink that wassail cup?
I think I'm going to throw it up
And you got really drunk
And you got really drunk
And Oh God of Hangovers,
We're drunk as skunks.
